

Dear Friends,

It is with great pleasure and pride that we announce that *Ranking Arizona* Magazine has named Tucson Realty & Trust Co. **Arizona's Number One commercial brokerage firm** for companies with 24 or fewer brokers. *Ranking Arizona's* results of the "Best of Arizona Business" come from voters' opinions based on quality of product, service and who they would recommend doing business with. *Ranking Arizona* is published annually by AZ Big Media who also publishes *Arizona Business Magazine*, the state's leading monthly business publication.

Tucson Realty & Trust Co., founded in 1911 the year before Arizona became a state, is currently celebrating its 99th anniversary and is Arizona's oldest real estate company. Displaying the original bulls eye logo, our early ads proudly offered services in "Real Estate, Mines, Loans and Insurance." Today we offer one stop shopping by providing full-service commercial brokerage (office, retail, industrial, land and investments), property/asset management and receivership/trustee services. We also provide corporate services, consulting and accelerated marketing (auction) as well.

Our achievements today are based on providing sound advice, superior service and an unsurpassed knowledge of the Tucson real estate market. Please don't hesitate to call me. We would sincerely appreciate your business and the opportunity to share our knowledge with you. You will find that we are sincere when we say "No one serves Tucson like Tucson Realty & Trust Co."

Best regards,
Hank Amos
